Quantities above 200 decals will automatically have individual transfer coat per decal, below that a blanket transfer coat will be applied for decals to be cut out.

If individual transfer coat is required below the 200 quantity there would be an additional \$70 setup cost. Email sales@petchprint.com.au for a full quote.

*For each additional colours add the price shown below in the relevant column (prices are per colour and per decal and include any additional setup costs).*
